Dear Parents and Caregivers,

### Term 1

4th April 2019

Issue 5, Week 10

### Thursday 11th April

Parramatta Diocesan  
Swimming Carnival

### Friday 12th April

Last Day of Term 2

In light of events in New Zealand last month, we could not be blamed for asking why tragedy is never far from our consciousness. The daily news is also often filled with instances of fear and distrust. When added to the personal tragedies in our own lives, who would blame us for asking "Where is God in this?"

In the Parable of the Fig Tree the message is that of not really knowing what is happening but trusting in God. We never know exactly what is happening for the fig tree underground or why it is not bearing fruit at that moment in time. Perhaps the tree has some type of fungus or disease in the soil. Then again, maybe there was growth occurring underground in the root system and this could not be seen. What we need to remember is that although it was not bearing fruit or flourishing at that moment in time, it was still alive.

Often our lives can feel like this, we feel flat or question why things are happening in our lives, we also are not flourishing. At these times we need to be like the worker in the vineyard, in spite of the fact that we are flat out trying to get through every day, we need to find time to see the potential in every situation. Sr Hilda Scott (OSB) articulates this so well "God is the Gardener who trusts the process of growing; trusts us, grasps what others do not, sees potential, and gives us another chance - and there is no limit with God. He sees what is lacking and is keen to provide it. All he, and we, need is an openness in us to see it through". (Source: Trust Lenten Program 2019: Catholic Diocese of Wollongong)

### Easter Hat Parade

This year, the Easter Hat Parade and raffle will be held on the first day back for Term 2, Monday 29th April at 9.15am. We are asking that you take time with your children over the school holidays to make a hat with them to wear in the Hat Parade. There are some really amazing ideas online, and some really cheap accessories found in shops at the moment.

We are also asking if all children could please send in a donation of an Easter Egg by Wednesday 10th April.

Everyone is welcome to come along to our Easter Hat Parade and see our 'eggciting' and 'eggtraordinary' hats that have been designed by some very crafty bunnies!

### School Uniform

From the beginning of next term we will be in transition mode to winter uniform. All students are expected to be in full winter uniform from Monday 13th May after Mother's Day until the Monday after Father's Day (2nd September). **Note** – Students in this transition period must wear either **full** summer or **full** winter uniform – **not** a combination of both. Our uniform policy can be accessed on our website.

- Friday, 5th July (last day of Term 2)
- Tuesday, 17th December
- Wednesday, 18th December

Please note that the student's final day will be Monday, 16th December.

### School Attendance

Every Learner, Every Day is a campaign designed to raise awareness about the importance of attendance for every student, on every school day and to promote a healthy attendance culture. As part of this initiative members of our Attendance Team, Mrs Marie Edwards, Mr Anthony McElhone and Sr Brenda Kennedy, will be regularly following up students with attendance levels that are concerning. In addition we will be promoting positive attendance patterns by acknowledging classes and individuals with excellent attendance.

Our current attendance level is 85%. Our goal is to reach at least 90%. We can achieve this by following a few simple tips.

1. Send your child to school every day unless they are sick.
2. Develop good sleep and morning routines.
3. Schedule appointments outside of school hours.
4. Avoid taking holidays during the school term.

### Teacher Professional Learning

At Holy Family the staff has an ongoing commitment to professional learning. The staff benefits from attending inservices, in curriculum areas, that assist them in providing quality learning opportunities for the students in their class. The following staff have or will attend professional learning:

Date	Staff Members	Professional Learning
8th April	Mr McCauley, Mrs Hughes	NAPLAN Refresher for Coordinators
11th April	Mr McElhone, Mrs Van As	NESA Professional Learning - Delegates meeting

## St Patrick's Day

Last Saturday night to celebrate St Patrick's Day, we had a party in the school hall. There were about 50 people. Father Giovanni and the ladies from the parish organised the Mass and party.

We had a lovely Mass, where we got the opportunity to be altar servers. After Mass, we had a delicious dinner and a cake for dessert. We welcomed some special visitors of Father Giovanni's to Holy Family, they were his sister and aunty from Columbia.

A scientist came for the kids and we dressed up in a white jacket and glasses for the experiments. We made magic snow and slime, it was awesome! There was a raffle and a lot of prizes.

We all had a great time and can't wait for the next party.

By Alicia, Harry and Charlene.
